HỌA SĨ NGUYỄN TRÍ MINH

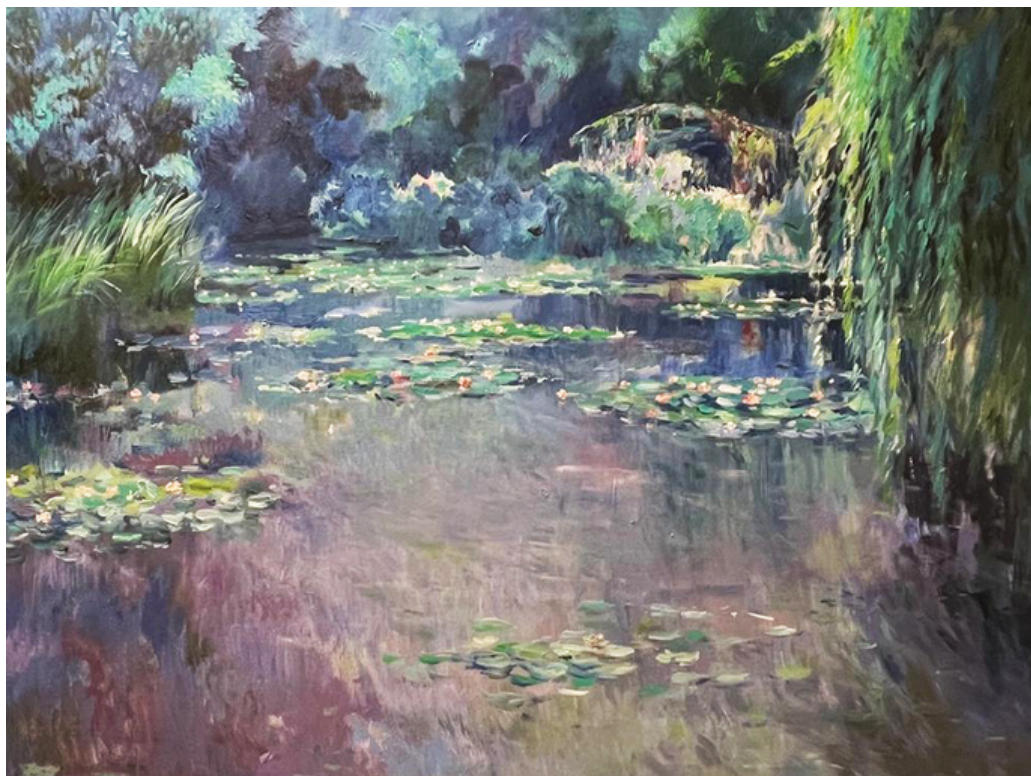

Họa sĩ Nguyễn Trí Minh sinh ngày 15 tháng 12 năm 1924 tại Chợ Lớn. Ông theo học tại Trường Vẽ Gia Định (L'Ecole de Dessin de Gia-Dinh). Tài năng hội họa đơm hoa kết trái khi ông đậu Thủ Khoa năm 1946. Ra trường ông được mời tham gia triển lãm từ trong đến ngoài nước - tại Nhà hát Tây của Sài Gòn - Hòn Ngọc Viên Đông tới Bảo tàng Mỹ thuật Hiện đại của Paris - Kinh Đô Ánh Sáng. Phong cách vẽ của ông là sự kết hợp kỳ lạ của Đông - Tây, của nét bút phóng khoáng đầy năng lực với màu sắc hài hòa tươi sáng. Vì thế tranh của ông nằm trong các bộ sưu tập của người hâm mộ khắp thế giới. Ông sử dụng nhiều chất liệu như sơn dầu, màu nước, acrylic, và sơn mài. Định cư tại Hoa Kỳ năm 1975, ông tiếp tục sáng tác và dạy vẽ như khi ở Việt Nam. Sở trường về tranh phong cảnh, ông đã nổi tiếng với các tác phẩm ao sen bờ trúc tại quê nhà. Tại hải ngoại, trong các chuyến đi triển lãm hoặc khi định cư sau này, ông tiếp tục đề cao vẽ đẹp thiên nhiên, với những tác phẩm có tầm cỡ lớn loại mural, như bức vẽ cảnh ao súng bờ liễu tại Giverny, quê hương của danh họa Claude Monet tại Pháp. Thật tự hào cho nền hội họa Việt Nam khi lớp vẽ căn bản hàng năm của ông tại trường đại học ở New York được các sinh viên đăng ký quá tải. Ông qua đời ngày 16 tháng 10 năm 2010 tại Dallas, Hoa Kỳ, hưởng thọ 86 tuổi. Ông ra đi trong sự thương tiếc của người bạn đời, cô Pauline Nhung Nguyễn và các học trò, gồm các họa sĩ và chủ phòng tranh từng đến học vẽ với người thầy kính mến đến từ Phương Đông.

PAINTER NGUYỄN TRÍ MINH

Nguyen Tri Minh was born on December 15, 1924 in Cho Lon, Vietnam. He studied at the Gia Dinh School of Drawing (L'Ecole de Dessin de Gia Dinh). His efforts bear fruit when he graduated valedictorian in 1946. After graduation he was invited to participate in numerous art exhibitions in Vietnam and overseas - at the Opera House in Saigon, Pearl of the Orient, to the Museum of Modern Art in Paris, City of Light. His painting style is a wondrous fusion of East and West, combining free and energetic strokes with joyful and balanced colors. As such, his paintings are collected by admirers all across the globe. Re-settled in the U.S. in 1975, he continued to paint and to teach as in Vietnam. In Vietnam, his landscape paintings with lotus ponds and bamboo hedges won over many critics. When overseas, during trips for art exhibitions or after resettlement, he continued to highlight the beauty of nature in large, mural-size paintings, including landscapes such as the waterlily ponds and willows in Giverny, France, the home of Claude Monet. It is a proud moment for Vietnamese art when his annual classes on introduction to paintings at colleges in New York had to turn away students due to over-interest. He passed away on October 16, 2010 at 86 years of age, in the loving memory of his wife, Pauline Nhung Nguyen and students, including artists and art gallery owners who had studied from the teacher arriving from the East.
